

Crockett County CCSD Parent and Family Engagement Plan

Our Mission:

To insure student success through high expectations for all students by all stakeholders, establishing a culture of pride and excellence. Education in Crockett County CCSD is a visible partnership accomplished through the dedication teamwork of parents, students, community members and the staff.

Vision Statement:

Crockett County Schools will encourage, reward and set expectations for lifelong learning where all people attain their greatest potential and help others to do the same, resulting in strong connections and contributions to society.

Each Title I campus shall:

1. Conduct an annual Title I school-wide meeting during the fall semester to explain the requirements of the Campus' Title I program.
2. Involve parents in the planning, review and improvement of Title I, Part A programs, including the school parent involvement policy and Student/Teacher/Parent Compact.
3. Involve parents in the development of the Campus Improvement Plan.
4. Provide opportunities for parent participation.

Parent Involvement in Developing the Policy:

Since each campus of Crockett County CCSD is a Title I school, the Title I Committee will be the advisory committee for developing our campus Parent Involvement Policy. This committee is made up of parents, community members, business representatives, and school personnel.

Annual Meetings for Title I Parents:

At the annual meeting for parents, parents will be given information about Title 1. At this meeting, copies of the parent involvement policy and the Student/Teacher/Parent Compact will be made available and parents will be offered a chance to become involved in revising and updating the policy and the compact as needed.

Student/Teacher/Parent Compacts:

In accordance with Title I regulations, our campus must develop a school-parent compact with the parents of students attending. This compact will enable the school and parent to share the responsibility for student performance and success.

The compact must explain that student, parents and staff will share responsibilities for promoting student achievement. The committee will consult and implement the compact.

All parents of the students attending the Title I schools will be given a copy of the compact detailing the responsibilities that the principal, teachers, parents and students have in making sure students accomplish their goals.

Staff and Parent Communications:

Parents will be welcomed through various avenues of communication throughout the school year. Newsletters, conferences, home visits, phone calls and/or written notices will be utilized to establish and maintain an open line of communication. Parents are encouraged to call their child's teacher when they are concerned. They may also call the school office and ask for a translator. Notices sent home will have the information in both English and Spanish. School personnel will practice positive, effective home-school communications.
